Message from the Board of Directors:

We are "dog tired" of trying to plan a unique fundraiser but believe we have finally succeeded! Because all of our donations are vitally important and are used for the welfare of domestic animals, we knew you would appreciate us not spending money for a party. Since discretionary time is at a premium, we thought "The Not At All Ball" is a perfect annual fund drive (and we hope you think so too!). If you wish to contribute, please complete the enclosed card and mail to our office or make an online donation. Then you can spend a nice evening at home watching a movie with your loved ones. (Suggested viewing: Paws ~ Pup Fiction ~ No Cats for Old Men ~ Jurassic Bark) Thank you for receiving this invitation with the level of humor we intended.

The purpose of the Pad for Paws Foundation is to provide support for domestic animals and to provide resources, education, and services that jointly benefit these animals and the communities we serve.
